

# **Support SB 840, The California Universal Healthcare Act**

- SB 840 covers all Californians.
- SB 840 provide comprehensive benefits, including full dental, vision, mental health, and prescription drug coverage, as well as full choice of provider.
- SB 840 spends money wisely by eliminating the bureaucracies created by thousands of insurance plans.
- SB 840 saves money by using the bargaining power of all 37 million to lower the costs of prescription drugs.
- SB 840 is publicly accountable.

In August, Sacramento legislators will vote on SB 840. Come to a discussion on the importance of supporting a health care system which removes the private insurance industry from healthcare.
